# AND I VOTE!

Dear \_\_\_\_\_,

This is my home, and I VOTE!

I call on the New South Wales Government to make a commitment to provide residents in residential home parks with legislation that affords:

1. Fair compensation in park closures for residents affected.
2. Accreditation for park owners and/or managers.

I also call upon the State Government to amend the Residential Parks Act in the following areas:

1. Section 57 changed to provide the onus of proof of costs upon the park owner and not the resident.
2. Section 128 changed to provide fair market values.

Thank you,
